

Basic 3 - Logic Grid

This logic problem is more complex than the other two because it has more clues and items.

1. Neither Amanda nor Jack traveled in 2015.
2. Mike didn't travel to South America.
3. Rachel traveled in 2014.
4. Amanda visited London.
5. Neither Mike nor Rachel traveled to Japan.
6. A man traveled in 2016.
